## Australia Courts Indian Travelers With Cricket Campaigns and Easier Visas

Skift · 8/8/2025, 10:00:00 AM

Australia is going all in on India, betting on cricket, culture, and seamless travel to court one of its fastest-growing tourism markets.

## Cricket Has A Huge Climate Change Problem

Forbes · 7/22/2025, 10:58:38 AM

The new Hit for Six report highlights extreme heat's impact on the world's second biggest sport. Players and fans are increasingly at risk due to rising temperatures.

## England Vs India Series A Reminder That Test Match Cricket Can't Die

Forbes · 8/9/2025, 9:29:21 PM

The England and India series has served as another reminder that Test cricket still has a pulse. Making its heart beat outside the Big Three is more problematic.
